#### Fund Investor Report Disclosures and Notations

As noted above, this report has been prepared for the Fund by IFS pursuant to the terms of the Agreement and is expressly subject to the terms of such Agreement, including the limitation of liability provisions included therein. The information contained herein, including, but not limited to, the net asset value calculations prepared by International Fund Services, is unaudited and is based upon data provided by sources other than International Fund Services. International Fund Services are based solely, and to the extent received, upon confirmations and statements of holdings received from prime brokers, custodians and other third parties that have relationships with the Fund and lither international Fund Services makes no assurances with respect to such parties or the accuracy of their data. International Fund Services expressly disclaims any liability for damages or losses (whether asserted on the basis of contract, tor or otherwise) related to the use or reliance upon this report by investors, their advisors or any other person or entity.

1) Net Asset Value (NAV) noted in the report is reflective of the NAV as of the date stated in the report and is the basis for which the report is based. The NAV is calculated by multiplying the holdings of particular instruments as reported to International Fund Services and the relevant prices obtained or calculated and is subject to the provisions of the dating of the date stated in the report is based. The NAV is calculated by multiplying the holdings of particular instruments as reported to International Fund Services and the relevant prices obtained or calculated and is subject to the provisions of the date stated in the Net Asset Value figures on a net basis.

2) "Confirmation" is defined by International Fund Services as follows: Holding amounts with counterparties are "confirmed" by International Fund Services by receipt of confirmations or statements from the relevant prime broker, custodian, counterparty, or other third party. The holdings percentages noted include position related accruals which are based 2) Commandon a bit determined by internetional fund determined valuation committee.

\* Confirmation Detail on positions held indirectly through investment in other Brevan Howard Funds administered by International Fund Services are also included here.

3) As used in this report, "verified" means that the price source is not the investment manager, but is a third party price source (which may utilize some model based components in its prices) that International Fund Services uses subject to the provisions of the administration agreement between International Fund Services and Fund (which calculator includes inputs provided by third parties or the Investment Manager in each as a parpoved by the Investment Manager on behalf of the Fund.) International Fund Services uses as approved by the Investment Manager on behalf of the struct to the administration agreement between International Fund Services and Fund (which calculator includes inputs provided by third parties or the Investment Manager in each of the struct seas as approved by the Investment Manager on behalf of the Fund.) International Fund Services utilizes third parties or the Investment Manager in each of the struct seas as approved by the Investment Manager on behalf of the struct of the administration agreement between International Fund Services and The Fund. International Fund Services of the struct seas contact the Investment Manager or the administration agreement between International Fund Services and The Fund. International Fund Services of the struct seas contact the Investment Manager or the administration agreement between International Fund Services and The Fund. International Fund Services and The Fund (which school the administration agreement between International Fund Services and The Fund (which school the administration agreement between International Fund Services and The Fund (which school the administration agreement between International Fund Services and The Fund (which school the administration agreement between International Fund Services and The Fund (which school the administration agreement between International Fund Services and The Fund (which school the administration agreement between International Fund Services and The Services and The Fund (which school the administrat Including, but not limited to, pricing ventors, counterparty marks and under quotes used subject to an processes described above and the percentage of the Net Asset Value for which data and valuations where provided by the Investment Manager under the guidance and approval of the fund's pricing committee. \*\* Verification Detail on positions held indirectly through investment in other Brevan Howard Funds' administered by International Fund Services are also included here.

4) \*ASC 820 (FAS 157) Classifications\* are defined levels of liquidity or freedom for which an instrument can be bought or sold at fair value under the Accounting Standards Codification Topic 820 (Financial Accounting Standard 157) as defined by the Financial Standards Accounting Board (FASB). Final FAS 157 levels are solely determined and approved by the Investment Manager and not by International Fund Services."% of Total Gross Portfolio" refers to the percentage of Absolute (un-netted) fair Market value of all positions within each level of hierarchy as defined by the FASB. Cash and cash equivalents, payable and receivable assets and liabilities and repos are not included within these levels.
