ANNUAL GENERAL MEETING

Dear Shareholder,

Introduction

The ninth Annual General Meeting of the Company will be held at the offices of Northern Trust International Fund Administration Services (Guernsey) Limited, Trafalgar Court, Les Banques, St Peter Port, Guernsey GY1 3QL on 24 June 2016 at 1.30 p.m. The business to be considered at the Annual General Meeting is contained in the notice convening the Annual General Meeting on pages 10 to 12 of this document. A brief explanation of each of the Resolutions to be considered is set out below.

This letter explains the business to be considered at the Annual General Meeting and includes a recommendation that you vote in favour of the resolutions set out in the notice of the Annual General Meeting.

The Annual General Meeting

Ordinary Resolutions

Resolution 1: The Directors must lay the annual audited financial statements for the financial period ending 31 December 2015 and the reports of the Directors and Auditors before the Shareholders and the Shareholders will be asked to receive and consider the financial statements and the reports.

Resolutions 2 and 3: Shareholders will be asked to confirm the re-appointment of KPMG Channel Islands Limited as Auditors until the conclusion of the next annual general meeting due to be held in 2017 and to grant authority to the Board to determine their remuneration.

Resolutions 4 to 8 (inclusive): Shareholders will be asked to vote on the re-election of each of the Directors (other than Christopher Legge), all of whom are retiring at the Annual General

Meeting and are being submitted for re-election in accordance with corporate governance best practice for FTSE 350 companies as set out in the UK Corporate Governance Code. In addition, Shareholders will be asked to vote on the election of John Le Poidevin, who is proposed to be appointed as a Director prior to the Annual General Meeting.

As part of the process of the rotation of the board, Christopher Legge will retire from the board at the Annual General Meeting. Chris has been a highly valued member of the board since the Company's listing and we are very grateful for his expert advice and guidance. The board has undertaken an extensive process to identify an appropriate new director for the Company and I am very pleased that, following this process, John Le Poidevin has agreed to join the board.

Following an evaluation of the Directors conducted during the year, the Board believes that each current Director continues to make an effective and valuable contribution and demonstrates commitment to the role.

All of the retiring Directors (other than Christopher Legge), being eligible, will stand for re-election as Directors. Each Director re-elected will hold office until he retires or ceases to be a Director in accordance with the Articles, by operation of law or until he resigns.

Resolution 9: Shareholders are being asked to approve the Directors' Remuneration Report contained in the Company's annual audited financial statements.

Resolution 10: The Directors are seeking the authority to allot and issue, grant rights to subscribe for, or to convert securities into, up to 857,033 Euro shares, 3,800,472 US dollar shares and 7,805,333 Sterling shares respectively (being 24.99 per cent. of the shares of each class in issue as at the latest practicable date prior to the date of publication of this document, and 33.34 per cent. of the shares of each class in issue following the implementation of the tender offer for up to 25 per cent. of the issued shares of each class of the Company

commenced on 27 April 2016 (the "Tender Offer") on the basis of the acceptances that the Company has received under the Tender Offer excluding in each case shares held in treasury). The authority expires on the date falling fifteen months after the date of passing of Resolution 10 or the conclusion of the next annual general meeting of the Company, whichever is the earlier, save that the Company may before such expiry make an offer or agreement which would or might require shares to be allotted and issued after such expiry and the Directors may allot and issue shares in pursuance of such an offer or agreement as if the authority had not expired.

As at the latest practicable date prior to the date of publication of this document, the Company held 5,264,836 shares in treasury which represents approximately 10.56 per cent. of the Company's issued shares (excluding treasury shares) at that time. The treasury shares in the Company consist of 371,139 Euro shares, 1,508,057 US Dollar shares and 3,385,640 Sterling shares.

The Directors have no present intention to exercise the authority conferred by Resolution 10.

Special Resolutions

Resolution 11: As part of the Company's discount management arrangements, the Directors are seeking to renew the authority to purchase the Company's shares in the market up to 385,819 Euro shares, 1,710,897 US Dollar shares and 3,513,805 Sterling shares respectively (equivalent to 11.25 per cent. of the shares of each class in issue as at the latest practicable date prior to the date of publication of this document and 15.01 per cent. of the shares of each class in issue following the implementation of the Tender Offer on the basis of the acceptances that the Company has received under the Tender Offer, excluding in each case shares held in treasury) from time to time either for cancellation or to hold as treasury shares for future resale or transfer.

Purchases will only be made in the market at prices below the prevailing net asset value per share in the Company of the relevant class in circumstances in which the Directors believe such purchases will result in an increase in the net asset value per share of the remaining shares (or of a particular class) or as a means of addressing any imbalance between the supply of, and demand for, the shares (or of a particular class).

Resolution 12: Resolution 12 disapplies the pre-emption rights contained in the Articles so that the Board has authority to allot and issue (or sell from treasury) shares for cash on a non-pre-emptive basis in respect of 257,212 Euro shares, 1,140,598 US Dollar shares and 2,342,537 Sterling shares in the Company respectively (equivalent to 7.5 per cent. of the shares of each class in issue as at the latest practicable date prior to the date of publication of this document and 10.01 per cent. of the shares of each class in issue following the implementation of the Tender Offer on the basis of the acceptances that the Company has received under the Tender Offer, excluding in each case shares held in treasury). The disapplication expires on the date falling fifteen months after the date of passing of Resolution 12 or the conclusion of the next annual general meeting of the Company, whichever is the earlier and permits the Board to allot and issue shares (or sell shares from treasury) after expiry of the disapplication if it has agreed to do so beforehand. Shares issued (or sold from treasury) pursuant to the disapplication would not be issued at a price that is less than the prevailing net asset value per share of the relevant class.

The resolution to approve disapplication of pre-emption rights is set at 10.01 per cent. of each class of shares assuming full take-up of the Tender Offer. As the issue of shares (or sale from treasury) by the Company on a non-pre-emptive basis is subject to the additional qualification that the relevant shares must be issued for a price at least equal to the prevailing net asset value for the relevant class of shares, the Board believes that the existing authority to issue new shares equal to 10.01 per cent. of the existing shares in issue of each class following the Tender Offer (excluding shares held in treasury) is appropriate.

Resolution 13: Shareholders are being asked to approve certain amendments to the Articles, including to take account of the changes to the Companies Law made by The Companies (Guernsey) Law, 2008 (Amendment) Ordinance, 2015 (the "Ordinance").

The amendments are as follows.

- To include reference to legislation implementing the OECD's Common Reporting Standard as well as FATCA in the definition of "Relevant Law" contained in the Articles, in order to clarify that the Company can request, and disclose, information from Shareholders in order to comply with any such legislation and to make deductions from dividends or other amounts payable to Shareholders as may be required under that legislation.
- To remove the requirement contained in the Articles that the Directors must obtain authority to allot the Company's unissued shares at least once every five years, as the Ordinance removes the corresponding requirement from the Companies Law for companies with more than one share class. The pre-emption rights contained in the Articles regarding the issue of new Shares will, however, remain unchanged.
- To provide that, where a director is interested in a transaction or potential transaction with the Company, he or she must disclose the nature and extent of his or her interest in that transaction but not its monetary value, in light of the changes to the Companies Law made by the Ordinance which reflect that it is not always possible to quantify the monetary value of an interest in a transaction.
- To update the notice provisions in the Articles to provide that notices to Shareholders are deemed served 24 hours after posting, in light of the relaxation and simplification of the deemed service provisions introduced by the Ordinance.
- To clarify the provisions of the Articles relating to the electronic service of notices and other documents to and from the Company and to permit the Company to serve notices, documents and other information by means of posting on the Company's website, unless individual shareholders request service by hard copy documentation. The Company does not, however, have any immediate intention of changing its current practice that only Shareholders who specifically ask for service of documents in electronic form or by posting on the Company's website will receive them in those formats, rather than in hard copy.
- To make other limited administrative and typographical changes to the Articles, including those that are consequential on the changes described above.

The full terms of the proposed amendments to the Articles are available from the date of this circular to the date of the Annual General Meeting at the offices of Freshfields Bruckhaus

Deringer LLP, 65 Fleet Street London EC4Y 1HS and will be available at the place of the Annual General Meeting for at least 15 minutes before and during the meeting.

(excluding any votes that are withheld) to be in favour.

Recommendations

The Board considers that the proposals and subjects of the Resolutions are in the best interests of Shareholders as a whole. Accordingly, the Board unanimously recommends Shareholders, as the Director who own shares in the Company intends to do so in respect of his own beneficial holding, to vote in favour of the Resolutions. **You are requested to complete and return the accompanying Form(s) of Proxy without delay, whether or not you intend to attend the Annual General Meeting.**

Yours faithfully
