1) Net Asset Value (NAV) noted in the report is reflective of the NAV as of the date stated in the report and is the basis for which the report is based. The NAV is calculated by multiplying the holdings of particular instruments as reported to State Street Fund Services (Ireland) Limited and the relevant prices obtained or calculated and is subject to the provisions of the administration agreement between State Street Fund Services (Ireland) Limited and the Fund. The holdings percentages noted include position related accruals which are based upon the accounting records of the Fund and which are supported by reference to either broker provided information or other third party sourced information which indicates that there is not a material deviation from the Fund's accounting records.

3) As used in this report, "verified" means that the price source is not the investment manager, but is a third party price source (which may utilize some model based components in its prices) that State Street Fund Services (Ireland) Limited uses subject to the provisions of the administration agreement between State Street Fund Services (Ireland) Limited and The Fund or is a price calculated by State Street Fund Services (Ireland) Limited using methodologies approved by the Investment Manager on behalf of the Fund (which calculation includes inputs provided by third parties or the Investment Manager in each case as approved by the Investment Manager on behalf of the Fund.) State Street Fund Services (Ireland) Limited utilizes third party pricing sources and inputs, including, but not limited to, pricing vendors, counterparty marks and broker quotes used subject to the provisions of the administration agreement between State Street Fund Services (Ireland) Limited and The Fund. State Street Fund Services Limited takes no responsibility for the accuracy of such prices or data. Please contact the Investment Manager for further details regarding the Fund's pricing methodology.
